Special Notice to Dealers.

WE ARE MAKING A FIRST CLASS GRADE OF GOODS—use nothing but thoroughly seasoned Walnut and Quartered Oak. We use no plain oak or cheap grades of lumber—use good hardware of every description—use the very best grades of oils and varnishes, and make a rubbed finish. Work only first-class mechanics. Use the very best grades of glue, and GUARANTEE our goods to be in every respect equal if not superior to the best on the market.

Being a new Factory, we find we are unable to place our goods with the trade as rapidly as we desire, at prices we ought to get for the grade of goods we are making, from the fact that *a counterfeit article will make as good a photograph as a genuine one will.*

In order to convince dealers of the above facts, we have decided to make a wholesale CUT IN PRICES, as an inducement to dealers throughout the country to give us A SAMPLE ORDER at least, so they can convince themselves and their patrons of the excellence of our work. Remember! We are not making a *medium*, but a *first-class* grade of goods.

Soliciting a Sample Order, we remain

Yours Respectfully,

THE SHELBYVILLE CABINET CO.
